

Kona Bikes 24 Hours in the Old Pueblo Ride-a-thon Fundraiser

A good day on the bike...for a great cause!

Raise funds for the Arizona Cancer Center to help Fight Lung Cancer!

Pledge Chart (either per lap or flat fee donation accepted)

- \$2 pledged per lap **OR** \$12 flat fee = *Stroll'n along*
- \$4 pledged per lap **OR** \$24 flat fee = *Power to the Pedal*
- \$8 pledged per lap **OR** \$48 flat fee = *Steady Roll'n*
- \$12 pledged per lap **OR** \$96 flat fee = *Spinning Out*
- \$??? pledged per lap **OR** \$??? flat fee = *A good day on the bike!*

The Ride-a-thon Fundraiser is a healthy way to raise money for the Arizona Cancer Center for Lung Cancer Research. Most teams will average 16 – 22 laps (24 is the course record!).

- Step 1** Participants simply call relatives, friends, support crew and fans anywhere in the country or world and ask them for pledges of support for your team. Participants will ask, "Will you support my team at \$4 per lap? The lap average is 16 – 22 but we could ride as many as 24!"
- Step 2** Record your supporter's information on the following page.
- Step 3** Pledges will be due after the Kona Bikes 24 Hours in the Old Pueblo concludes. All pledges are 100% tax deductible and **should be written out to UA Foundation/Arizona Cancer Center.**

All Donations due to Epic Rides by February 28. Mail to:

Epic Rides
Attn: AZCC
2609 E. Broadway Blvd.
Tucson, AZ 85716

Kona Bikes 24 Hours in the Old Pueblo Ride-a-thon Fundraiser

FREQUENTLY ASKED QUESTIONS

1. How many laps will the team ride?

Teams average between 16 – 22 laps, however the course record is 24 laps. Some teams will ride more than the average while others will ride less. \$2 pledged will equal approximately \$32 - \$36. Please pledge accordingly.

If any team rides more than 24 laps you might consider taking them to the Pro category on a world level...they have some serious talent!

2. What is the difference between a PLEDGE and FLAT Donation?

A PLEDGE per lap is the dollar amount donated by a supporter multiplied by the number of laps a team rides. A FLAT DONATION is a specific dollar amount donated regardless of the number of laps a team rides.

3. Who should teams request pledges from?

Teams can call relatives, friends, support crews and fans but are also encouraged to contribute from within the members of the team as well. Friends and family are always a good place to start.

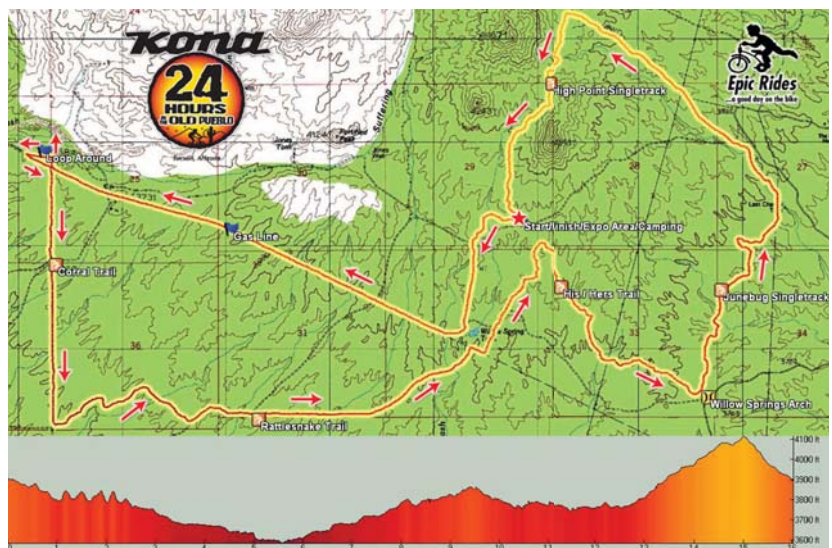

Epic Rides will be providing real time on-line lap counts during the event so your friends and family will be able to watch you race and raise funds all at the same time! Visit epicrides.com during the event for the link.

4. Is my donation tax deductible?

Yes. Any donation given from a supporter will be **written directly to the UA Foundation/Arizona Cancer Center** and is **100% deductible**. Please keep your check stub for tax purposes.

5. How do we collect the money?

Each team is responsible for calling their supporters and telling them how many laps they rode and how much money they raised together. The checks will be due no later than February 28th.
